ENTRY TASK PROMPT
Can you think of an example of when you were suspicious of a person’s behavior despite their verbal assurances? Explain why you felt that way.

PROMPT 1
What is introspection?

PROMPT 2
For Titchner and Angell, what was the shortcoming in Wundt’s ideas?

PROMPT 3
How did the functionalists want to change the methodology of psychology and why?

PROMPT 4
Why did the gestalt psychologists disagree with structuralism’s goal of analyzing conscious experience?
